Alden Place
AT CORNWALL

Dear Kids,
Your father and I are having
the best time ever. We've
met so many people in our
community it seems like
college. Well...college with
money!

*It wasn't hard to find neighbors
who were interested in water
aerobics. I'm teaching 3 classes
a week and we all feel great!
Hope to see you soon!*

Enjoy life...at your own speed.

Life is good! We're having fun with other car enthusiasts we've met here. Fred even helped to chair the first Alden Place Car Show, now an annual event in October. And yes, there's still plenty of time for golf!
